APP STORE BEST OF 2012! Thanks to all our fans for making Most Wanted one of the year's biggest hits. "The street racer that iOS devices have been waiting for" (PocketGamer, 9/10 Gold Award) "It pushes the mobile platform to its utmost limits and doesn't even break a sweat" (Capsule Computers) Buckle up, hit the gas and hold on tight; you're in for the ride of your life. Outrun cops, outsmart rivals – and outdrive your friends – in the most dangerous Need for Speed yet. Do you dare to be the Most Wanted? Note: Due to its revved-up graphics and gameplay, you'll need 1.8GB of free space on your device in order to install this game. MAKE TROUBLE. GET WANTED! Evade a relentless police force while you clash with street racers. Race and chase hot cars like the SRT Viper GTS, Porsche 911 Carrera S, Hummer H1 Alpha, and many more. Feel the intensity of no-brakes-allowed street racing with realistic full-car damage for the first time on mobile. LEAVE YOUR MARK! Log into Origin to check the Wanted List and find out who is the Most Wanted across platforms and among your friends. Then, challenge your friends and prove your racing skills in nonstop competition. GO FROM ZERO TO MOST WANTED!... • Choose and customize over 40 unique cars • Race the way you want! By popular demand you can now touch or tilt to steer! Use Mods to enhance your car and get ahead of the pack in style! Experience the action with mind-blowing graphics and intense full-car damage • Earn Speed Points to unlock new cars! Your rivals will do everything they can to stop you from getting to the top – but in this world, there can only be one Most Wanted. Requires acceptance of EA's Privacy & Cookie Policy and User Agreement. Check out the changes we've made to improve your racing experience. Thanks for playing! As a big fan of while NFC series, I really want to play this game but it keeps crashing straight after 2 race. I can't even play this game anymore. Please fix this bug which is causing it to crash. I'm using iPhone 8. It's an awesome game by EA, I literally am glued to my iPad Pro playing this game, although I finished everything and unlocked all the cars I keep playing this, also great music tracks in the game. The graphics are really amazing too. A well deserve 5 star and a must buy game for all iPad users who like racing games. Imagine you are in a good mood. You have earned a treat, and you decide to use it on this game. You pay for it, and then you find you have to use a steering wheel with your left thumb if you want to play. And it turns willingly to the left, but simply won't steer right. Imagine you wasted money on this, only for ur car to keep crashing into the wall. Don't do this to yourself people. Avoid this game. It's not worth it. The developer, Electronic Arts, has not provided details about its privacy practices and handling of data to Apple. For more information, see the developer's privacy policy.
